Instructions for Insect Biotech Conference Abstracts:

- Please complete all details using this form only. Abstracts are allowed a maximum of ~250 words (1800 characters maximum).
- List the presenting author followed by all additional contributing authors. Please specify author affiliations (ie. department, institution, city, province).
- Complete all sections of the form and send form-filled PDF to Jean-Paul Paluzzi (paluzzi@yorku.ca). Please be sure to follow the guidelines as requested to save our time formatting.
